THE STEAMER.

· oxofton LURY.

The occan empress rides; For her the sea, her willing slave,

Dashed from her breast she heaves

The quelled and trampled foun;

Her glorious track behind she leaves: Speed her, ye waters, home !

Voices thou hast like summer rain,

Breathe them in music's sound.

The glad, the homeward-bound,

She cleaves with landward bow ;

And laughs in childhood's mirth :

And many hearts give fond reply

For thee, O mother earth!

Sovereign o'er vanquished fear.

The lard of pride and power,

This is his triumph's hour,

Man in his glorious strength is here

Hush! hush! what shock of dread

Distorts his blanching brow ?

Stern as the ball of death it sped ; O man, what art shou now:

Thou saidst "a king" thou wast

Now he is strong and fierce and vast,

On ocean's stormy throne;

Lo ! with resistless grasp,

Folds like a toy in toy clasp

God rules upon the deep :

Perpetual dirges sing.

Wee! wee! a thousand homes

There he alone is King;

Thy shattered bark and thee

The wild, wild waves that o'er them sweep,

revenue of the Mexican republic. Martinez "

brig, was hidden in the chapparral, santly.

vigilantes round about. I spose we Zanthe.

and come to anchor.

Joy ! joy ! the glooming mist

Cayly the billows, lightly kissed, Leap from her arrows prow.

Toned to their heart's true harmony.

Rolls forth its crested tides,

Majestic on the wave

Ali gentle, cruel main, The freighted treasures bear !

From out thy cave, O sea.

Not to keep the reader any longer word of a stranger—though that in his power he's in ourn. Just say "Then I'm off for blue water!" ster!" and flew from the room. She stayed in Africa several months. him, but she merely ejaculated "Mon-ley, went out with the boxes, and refused to speak to Perkins for a When he returned the Dorcas Socieacter and purpose, we will inform bim that the Zanthe was a smuggler, and for some years had been engaged and for some years had been engaged tials, senor," interropted the lady, "You are right, Pardon," said the od and the horses saddled. The vig-

> . "Well, you know, we got the clothes out there all right, and after a while we distributed them among some of the natives in the neighborhood. We thought may be it would attract them to the mission, but it didn't, and after some time had elapsed and not a native came to church with those powerful magnets, with which he at-tracted a block of iron from a distance ing expedition to find out about it, It seems that on the first day after the goods were distributed one of the Chiefs attempted to mount a shirt. He didn't exactly understand it, and he pushed his legs through the arms and gathered the tail up around his waist. He couldn't make it stay up, however, and they say he went around inquiring in his native tongue what kind of an idiot it was that conwho had spoken to name the thing.
> Then up rose Seth Wimlet. He structed a garment that wouldn't hang on, and swearing some of the most awful heathen oaths. At last he left it drag, and that night he got his legs tangled in it somehow, and fell over a precipice and was killed."
